

## Vision

### **"Education for total emancipation of human being"**

The College strives to exert all its resources to mould and motivate the students hailing mostly from underprivileged sections of society viz. Scheduled Caste, Scheduled Tribe and Minority to a better national goals by upholding the values of secularism, social commitment and global harmony. We have a very clear vision that the students going out of our campus should be morally strong, dedicated to nation and humanity as a whole and highly efficient at work. We further aim at moulding the learners who are academically accomplished, morally upright, emotionally calm and quiet, rooted in the social ethics, with determination to uphold and champion for the cause of justice, peace, harmony and development.

## Mission

We are determined to impart quality education and exposure to global access to students to enable them to cope with the latest global development being equipped with latest innovative techniques and practices. We firmly believe that the quality education alone is the measure to up lift the students of under privileged section of society and we strive to cater meaningful education to all the students of tribal populated area.

## Objectives

### **"Grooming The Youth for All- Round Development"**

We strive hard to fulfil our vision of all round development in three ways:

1. **Academic excellence:** We strive hard to enable the students to meet the challenges of global scenario being equipped with effective transaction of both curricular and co-curricular activity and it is our objective that we give the highest priority. We adopt different measures for effective transaction of curricular programmes through enrichment of library with latest editions, making available the different reputed journals & magazines of various disciplines accompanied with appropriate infrastructure and faculty exchange programmes.

2. **Personality development:** We strive and aspire for the all-round development of the students personality through effective education and exposure. We organize numerous academic and co-curricular activities to cherish and develop the Leadership quality, Team spirit, effective communication and above all social and national responsibilities.

3. **Social and Ethical orientation:** We cater education cherishing the social responsibility with thrust upon active community participation through adopting tribal and under privileged villages by the three NSS units to extend our helping hands towards different issues bearing the social ethos and thus to enable them to going into the main stream of social life.

The vision, mission and objectives of the College are displayed in a very pronounced way not only on the documents like Prospectus but at the same time at noticeable areas also so that both prominent learners and faculty member could persistently be reminded of the principles close to the heart of this institution. It is again provided to students every year through academic calendar so that everyone could know more about institution and its ideals effectively.
